INTRODUCING QUINTESSENTIALYOU DESIGN'S INTENTIONALCONVERSATION SERIES[®]

JOIN A RARE AND RICH CONVERSATION WITH AN INTIMATE GROUP OF PEOPLE COMMITTED TO THEIR OWN, OTHERS', AND THE WORLD'S QUINTESSENTIALFULFILLMENT.

Over the last two decades, through its **INTENTIONALCONVERSATION SERIES**, **QUINTESSENTIALYOU DESIGN** has been working with individuals who are stepping fully into their personal and professional potential in service of their unique contribution in the world.

We have learned three important things:

- ∞ This conversation brings together individuals curious about life and leadership beyond intellectual analysis and common, day to day structures.
- ∞ This work is a practice and a discipline.
- ∞ **INTENTIONALCONVERSATION** is transformative.

Over this series, you will:

- ∞ **DISCOVER** the **QUINTESSENTIALYOU BLUEPRINT** that is your source of creation and expression.
- ∞ **ACTIVATE** the deepest desire, intentions and authentic contribution that you take to all pursuits.
- ∞ **RECOGNIZE AND ENGAGE** the hidden elements that are your essential gift and contribution.

We invite you to consider your participation and the opportunity, promise, and outcome that come with it.

- ∞ **THE OPPORTUNITY:**
Discover, articulate, and build your innate **QUINTESSENTIALYOU BLUEPRINT** of potential.
- ∞ **THE PROMISE:**
Fundamentally transform made-up restrictive mindsets and structures to open to desires and intentions that forward your contribution.
- ∞ **THE OUTCOME:**
Recognize and claim hidden dormant skill and capacity that make your contribution practical and viable.

THE FORMAT

- ∞ In safe, supportive, and collaborative space, each conversation includes individual check-in, journal inquiry work, and a resulting exploration that brings awareness to and builds each participant's innate **QYOU BLUEPRINT**.
- ∞ The process, spread over a one-year period, is designed to reveal each Blueprint element, bring it into focus, and support participants in the discipline and practices that engage and evolve the fulfillment of **QUINTESSENTIALYOU**.
- ∞ In addition to the initial one on one sessions and the scheduled monthly **INTENTIONALCONVERSATION**, participants receive a weekly check-in email that keeps their exploration alive, engage freely with their cohort, and have access to one on one conversation with the facilitator.

Each **INTENTIONALCONVERSATION** is hosted in a beautiful intimate setting located in the Kitsilano area of Vancouver.

TESTIMONIALS FOR QUINTESSENTIALYOU DESIGN INTENTIONALCONVERSATIONS

“QuintessentialYou has an inherent and unmistakable integrity to it. My experience of working with this framework is that I’ve created logical coherence about my life and work..... an internal consistency. I leave the Conversations present to what is possible and clear about my role in whatever situation I find myself. Increasingly and on-goingly, I am discovering or more accurately, recovering what somewhere I only dimly knew to be true about myself and the quintessential contribution that I bring to the table.”

Thomas D’Aquanni, Principal, D’Aquanni & Associates Management Consultants, Morristown, New Jersey

“This was such an incredible experience. Of the eight-something years of post-secondary education plus continuing ed, this has probably been my favourite course ever. Kathleen is a tremendously gifted instructor and facilitator. I am so sad to complete the first section – it’s like your favourite book or tv show coming to an end.”

M. Fitzgerald, Manager, Engagement for Major Projects- Civic Engagement & Communications

“Kathleen is a consultant with unsurpassed passion and expertise in leadership coaching and development. In the few years Kathleen has been with the City, she has introduced her unique QuintessentialYou LeadershipConversation Series. The 1-year pilot program has been a huge success with new courses filling to capacity as word of mouth highlights the ingeniousness, effectiveness, and uniqueness of the program. Kathleen brings a new lens to leadership training that is multi-year, supported, deeply customized, and highly intuitive. Through carefully crafted exercises, inquiries and group discussions, Kathleen’s participants are immersed in a refreshingly innovative journey of leadership growth.”
