## How to Be an Effective Public Speaker & Presenter Workshop

### THE PROGRAM

Presentation and public speaking skills are essential skills, no matter what you are up to in the world. As you convey your message with confidence, you essentially build trust in others. This project can be delivered in-house or online and is offered to a team of **ten people** maximum over two days. The workshops are:

- Day One - Public Speaking
- Day Two - Presentations Using PowerPoint & Google Slides

Each day, we will have theory in the morning, and practice in the afternoon.

**\$2,497**

### PROJECT SUMMARY/DELIVERABLES

In just two days, participants will learn:

- how to reduce nervousness before and during public speaking
- the traits of a good public speaker, which includes:
  - vocal variety
  - pausing for effect and emphasis
  - timing is everything
  - how using humour can engage your audience
  - the importance of your body language
- the three (3) components of a speech
- why it's important to hook your audience
- six (6) attention-grabbing techniques
- how to give a successful 1-minute introduction (elevator pitch)
- how to give a 3-minute talk
- how to give a 5-minute speech
- how to keep your audience engaged
